Mr. Henry Bozzi,
135 South Ferry St.,
Schenectady, N. Y.

Dear Mr. Bozzi:

I am in receipt of your letter of June 6th, in which you stated you were sending the boy to report to me this Sunday, June 9th, I highly appreciate the same.

Now with reference to the boy I was to send you. I put forth every effort to try to have him go up there to you, as he promised me that he would go, but someone must have talked him out of it, as he changed his mind and I had to send him home.

About Parks, I cannot spare him at this time, as I have only two catchers. I would like very much to let you have him, but I haven't made any plans to replace him.

Before you close those games, I would appreciate you letting me know so I can arrange in plenty time to make the trip.

If I have any boys that I think can help you, I will let you know and send them to you.

Hope your Team is going well.

Very truly yours,
